Introduction. Participation in high-quality preschool programs can serve as an important mechanism for enhancing children’s language skills, particularly in the area of vocabulary knowledge (Mashburn et al., 2008). For instance, having daily opportunities to converse with teachers and engage with their peers can provide young children with opportunities to learn novel words and to extend the ...

Definitions. Second language refers to any language learned in addition to a person’s first language; although the concept is named second-language acquisition, it can also incorporate the learning of third, fourth, or subsequent languages. Second-language acquisition refers to what learners do; it does not refer to practices in language teaching, although teaching can affect acquisition.

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)
