

foundations of financial markets pdf

Types of financial markets. Within the financial sector, the term "financial markets" is often used to refer just to the markets that are used to raise finance: for long term finance, the Capital markets; for short term finance, the Money markets.

Financial market - Wikipedia

The UK's exit from the EU will have significant repercussions for the financial industry, notably investment banking. London as the primary European hub is likely to lose its full access to the single market.
