

jazz improvisation for keyboard pdf

Musical improvisation (also known as musical extemporization) is the creative activity of immediate ("in the moment") musical composition, which combines performance with communication of emotions and instrumental technique as well as spontaneous response to other musicians. Sometimes musical ideas in improvisation are spontaneous, but may be based on chord changes in classical music, and many ...

Another great innovator in the field of modal jazz is pianist Herbie Hancock. Although more popularly known for working in Miles Davis's "Second Great Quintet", Hancock recorded a number of solo albums, the fifth of which was Maiden Voyage (1965), two years after joining Miles' band. On the title song of this album Hancock uses solely suspended chords that are played throughout the entire ...
