

richard t froyen macroeconomics pdf

When commencing my studies in Economics I was solely interested in current economic models as I judged only them to be relevant. I changed my mind however when I matured and realized that Economic models are not doctrine, as championed by a few, but very vocal, Economists.

Macroeconomics: Theories and Policies by Richard T. Froyen

Macroeconomics traces the history, evolution, and challenges of Keynesian economics, presenting a comprehensive, detailed, and unbiased view of modern macroeconomic theory. This book narrates the evolution of economic theory, presenting the most recent and modern developments, without glossing over the fundamental disagreements among macroeconomists on both theory and policy.
