Ghost hunting is the process of investigating locations that are reported to be haunted by ghosts. Typically, a ghost-hunting team will attempt to collect evidence supporting the existence of paranormal activity. Ghost hunters use a variety of electronic devices, including EMF meters, digital thermometers, both handheld and static digital video cameras, including thermographic and night vision ...

At the start of the Middle Ages, England was a part of Britannia, a former province of the Roman Empire. The local economy had once been dominated by imperial Roman spending on a large military establishment, which in turn helped to support a complex network of towns, roads, and villas. At the end of the 4th century, however, Roman forces had been largely withdrawn, and this economy collapsed.
