The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge

that builds upon the past knowledge.

SuperMemo: Incremental learning - Super Memory: Forget

In contemporary education, mathematics education is the practice of teaching and learning mathematics, along with the associated scholarly research.. Researchers in mathematics education are primarily concerned with the tools, methods and approaches that facilitate practice or the study of practice; however, mathematics education research, known on the continent of Europe as the didactics or ...
