

Speak like native s pdf

A first language, native language, or mother/father/parent tongue (also known as arterial language or L1) is a language that a person has been exposed to from birth or within the critical period. In some countries, the term native language or mother tongue refers to the language of one's ethnic group rather than one's first language. Children brought up speaking more than one language can have ...

First language - Wikipedia

A polyglot is a person with a command of many languages. A polyglot may also be called a multilingual person; the label "multilingual" is used for communities as well as individual speakers.. Richard Hudson, professor emeritus of linguistics at University College London, coined the term "hyperpolyglot" for a person who can speak twelve or more languages fluently.
