Starbound is an action-adventure video game developed and published by Chucklefish. Starbound takes place in a two-dimensional, procedurally generated universe which the player is able to explore in order to obtain new weapons, armor, and items, and to visit towns and villages inhabited by various intelligent lifeforms. Starbound was released out of early access in July 2016 for Microsoft ...

Minecraft is a sandbox video game created by Swedish game developer Markus Persson and later developed by Mojang. The game allows players to build with a variety of different cubes in a 3D procedurally generated world, requiring creativity from players. Other activities in the game include exploration, resource gathering, crafting, and combat. Multiple gameplay modes are available, including a ...
